PART II. OWNED PERSONAL PROPERTY - Report all personal property owned by you and used or held for use in your business or profession as of January 1, including items fully depreciated on your accounting records. Do not report inventories of merchandise held for sale or exchange or finished goods in the hands of the manufacturer. Property on which you wish to report a nonstandard value must be reported in PART IV of this schedule and not in this section. Qualified pollution control equipment must be reported in PART V of this schedule. A separate schedule should be filed for each business location. List the total acquisition cost to you for each group below by year acquired in the REVISED COST column.
