Docket #: _____

WAIVER OF ARRAIGNMENT

I, the undersigned defendant in the above styled criminal action pending in this Honorable Court, having been advised by my attorney that the Tennessee Rules of Criminal Procedure provide for my presence and for me to be formally arraigned and advised of the charges against me in full, hereby waive that right voluntarily, knowing that I do not have to waive the right, and I hereby acknowledge that this waiver is without any threats or promises. I therefore, having been fully advised by my attorney, waive my presence and formal arraignment and understand that notice of any proposed plea bargained agreement must be filed by my attorney with the Court.

I further waive the provisions of Tennessee Code Annotated Section 40-35-205(b) concerning the preparation and sealing of the pre-sentence report prior to trial and consent to the preparation of said report and the review of said report by the Attorney General, my attorney and the Court prior to trial.

The undersigned attorney certifies that he is the defendant's attorney and that he has explained to the defendant his right to be present and to a formal arraignment and that the defendant voluntarily executed this waiver.

The attorney for the defendant, by filing this waiver for the defendant, acknowledges receipt of a copy of the indictment(s) and reserves the right to enter a plea for the defendant at a later time.
