I. TENNESSEE DEPARTMENT OF TRANSPORTATION

LEGISLATIVE ITEM: Request that the State legislature create a dedicated funding source in an effort for TDOT to eliminate the backlog of projects.

PURPOSE: Tennessee has been very fortunate over the years to recruit businesses and industries to our state, creating jobs and tax revenues. However, with a growing state, our infrastructure hasn't been able to keep up. Many road projects stay on the radar of TDOT for nearly 20 years and by creating a dedicated funding source; project time could be cut in half. In addition, from the time projects are added to the TDOT project list, to the lengthy time of completion, the cost of the job sees monumental changes. This dedicated funding source would save money for TDOT over the long run with projects being completed timely while cost estimates are more accurate, also allowing for more projects to come to fruition across the state.

For more detailed information please contact the following individual:
Mayor Jim Durrett, mayordurrett@mcgtn.net, 931-648-5787

II. HIGHWAY TRANSPORTATION

LEGISLATIVE ITEM: Encourage the Tennessee Department of Transportation to obligate funding for the following projects:

- 1) Construction phase for SR48/13 from Zinc Plant Road to River Road on SR149 at approximately \$28,000,000.
- 2) Environmental & Design phase for SR237/Rossvie Road from West of Keysburg Road to West of SR374/Warfield Blvd. at approximately \$500,000.
- 3) Right-of-Way phase for the SR374 extension from Dotsonville Road to US79/Dover Road at approximately \$2,600,000.
- 4) Engineering/Environmental phase for SR48/Trenton Road from SR13/Wilma Rudolph to SR236/Tiny Town Road at approximately \$1,600,000.
- 5) Interchange justification study for I-24 between exit 4 and 8 at approximately \$40,000.

PURPOSE: Support the Region's and State's economic vitality by enabling competitiveness, productivity and efficiency. Increase the safety and security of the transportation system. Protect and enhance the environment, promote energy conservation, improve air quality and overall quality of life.

Mayor Jim Durrett, mayordurrett@mcgtn.net, 931-648-5787

III. AUTHORIZATION TO PROVIDE BROADBAND AND INTERNET SERVICES

LEGISLATIVE ITEM: Support an act to amend Tennessee Code Annotated, Title 7, Chapter 52, relative to additional authorization to provide broadband and internet services.

PURPOSE: To remove the current limitation on municipal electric broadband providers that restricts broadband service to just its electric service territory. To require a municipal electric broadband provider to obtain the written consent of each electric cooperative or municipal electric system in whose territory it will provide broadband services.

BENEFITS: High speed broadband service drive local economies, promotes economic development, increases educational opportunities and outcomes at local schools, increases regional and global competitiveness, and allows more opportunities for telemedicine, telework, and better quality of life. High-speed fiber broadband service can add measurable value to the average home, thus increasing the tax base for those areas and adding much needed revenue to starving county budgets. As sprawl continues to reach into areas without broadband access the county government continues to leave valuable property tax dollars “on the table”. The 2015 Fiber to the Home (FTTH) study shows homes with access to high speed fiber are valued at 3.1% higher than those without. The June 2014 FCC data on un-served areas in Montgomery County identified 4,812 residential parcels and 92 commercial parcels. Using the current assessed value of these properties at \$200,927,831 and the 3.1% increase in value, we see a new value of \$207,156,593, or an assessed value increase of \$6,228,762. Using our current tax rate of \$3.07, this additional assessed value of broadband would potentially result in over \$190,000 annually in property tax revenue for Montgomery County.

SECTION 1. Tennessee Code Annotated, Section 7-52-103(c), is amended by deleting the language “within its service area and”.

SECTION 2. Tennessee Code Annotated, Section 7-52-601(a), is amended by deleting the language “within its service area”.

SECTION 3. Tennessee Code Annotated, Section 7-52-601, is amended by adding the following as a new, appropriately designated subsection:

Prior to providing the services outside of its electric system service area, the system shall obtain the written consent of each electric cooperative or municipal electric system in whose territory the system will provide the services.

SECTION 4. This act shall take effect upon becoming a law.

IV. HEALTHCARE

LEGISLATIVE ITEM: To provide healthcare coverage to low income uninsured Tennesseans, uninsured veterans, and people with qualifying mental and/or behavioral health diagnoses.

PURPOSE: The 3-Star Healthy Project would offer full healthcare coverage to low-income Tennesseans that are below 138% of the federal poverty line (FPL) and who are currently ineligible for TennCare, but don't earn enough income to afford Obamacare on the marketplace. This plan focuses on veterans, mental health issues, the substance abuse crisis in our state, has strong fiscal control through circuit breakers, utilizes a phased-approach, and includes Health Savings Accounts and healthy living or work incentives.

This plan is essential, as we currently have over 280,000 uninsured Tennesseans, 24,000 of whom are veterans using ER's as primary care providers and facing bankruptcy. Closing the gap for those needing healthcare is paramount and would bring our collected federal tax dollars back to Tennessee to assist our citizens.

Jason Hodges, district17@mcgtn.net, 931-980-9630

V. **LAW ENFORCEMENT - SUPPORT AND ADVOCATE FOR COMMUNITY CORRECTIONS AGENCIES**

LEGISLATIVE ITEM: We are requesting the Tennessee State Legislature to support and actively advocate to adequately fund and completely reconstitute the ability of Community Corrections Agencies to equip themselves complementary of the current requirements of the program.

PURPOSE: Community Corrections Agencies are divisions of a state grant funded program created in the 1980's in order to offer alternatives for sentencing nonviolent adult felony offenders, ultimately reserving prison bed space for violent and career criminals. Utilization of these agencies allows taxpayers to avoid the high costs of incarceration while reducing the probability of continued criminal behavior and maintaining the safety of the community. The Community Corrections average cost per day per offender is just under \$5, while the cost per prisoner in our Montgomery County Jail is just under \$75.

No significant increase in funding for the program has been allocated since its inception, over thirty years ago. Not only are judges now sentencing violent offenders to the program, but are often times waiving fees that would be collected to fund the program. When the waiving of fees occurs, these separate agencies are held accountable for a portion of these same fees that are being waived, roughly \$27,000 per year locally, drastically hindering their already constrained budgets.

In addition, the state needs to seriously consider allowing this program to be equipped from a law enforcement approach. Currently, the employees of our local agency are managing the treatment and compliance of these offenders in an unsecured location, in a heavily populated and active area. Perhaps more disturbing, the agency is not allowed to arm their employees or to provide the necessary precautionary equipment to protect them, such as Kevlar vests. Again, these employees' daily duties have been drastically increased to include the supervision of dangerous individuals.

We request that these issues be addressed in order to preserve the safety of these employees and our community, and the savings that this agency provides for the taxpayers.

VI. SUMMER JOBS FOR MONTGOMERY COUNTY YOUTH

LEGISLATIVE ITEM: To provide state funding for obtaining jobs for students, between fifteen (15) and eighteen (18) years of age, to participate in job training programs during the summer. Mid-Cumberland Human Resources Agency would be the coordinating authority of this funding.

PURPOSE: “The Mid-Cumberland Human Resources Agency has historically provided job placement related programs for youth in the Mid-Cumberland region, including Montgomery County. The programs of the MCHRA have been focused on providing quality work experience for at-risk youth year round. The rising level of crime and gang related activity in our region suggests a renewed emphasis is needed on providing more youth in Montgomery County an opportunity to work in the summer months, while they are out of school. Earning an income, while being exposed to the job market will have a positive impact on our community like no other service we offer as a local government. It is our desire that the MCHRA renew their emphasis on work programs for our youth through existing or new resources, and create partnerships with existing organizations and the business community where possible.”

Commissioner Tommy Vallejos, district14@mcgtn.net, 931-358-3010

VII. AMERICANS DISABILITY ACT

LEGISLATIVE ITEM: Reduce illegal misuse of disability placards.

PURPOSE: The Tennessee Department of Revenue (DOR) issues several types of placards and plates that allow citizens to park in designated handicapped parking places. Over the years drivers with disabilities trying to find accessible parking spaces are often out of luck, because many of those spots are being misused by able-bodied people. The misuse of these permits is a growing problem. It is especially acute in large cities, where parking is expensive and availability is limited. With the placement of a photo on placards and an identifiable handicap stamp on photo IDs, law enforcement would be able to easily and quickly identify the owner and deter misuse through enforcement.

BENEFITS: The simple placement of a handicap stamp on a driver's license, and a picture on the placards, will alleviate this problem. Our handicapped citizens, many whom are veterans, will have an increase in parking spaces just by this simple action.

Commissioner Wallace Redd, district16@mcgtn.net, 931-216-5640

VIII. STATE PARKS – NATURAL AREAS

LEGISLATIVE ITEM: A request to our state delegation for continued assistance and monitoring of the approved dam repair project at Dunbar Cave State Park.

PURPOSE: In the 2015-2016 State budget, four State Park projects, to include the earthen dam repairs at Dunbar Cave State Park (built in 1933), were approved and funds set aside. We ask the state delegation to push this project forward in a timely manner so funds available and allotted to the project are not depleted before completion.

Dunbar Cave and Swan Lake have a rich history in the Clarksville-Montgomery County community. The lake is spring fed along with water drainage from around the area. Park Rangers attempt to keep the lake drained, but green coloring and odors have accumulated. The repair of the earthen dam would allow for the lake to remain an appealing natural area, a cultural asset, educational experience and tourism hot spot for the community.

LEGISLATIVE ITEM: Request review of Port Royal State Park's standing as a sub-park under Dunbar Cave. This is the only park in Tennessee that was once a viable, stand alone park, but now placed as a sub-park for maintenance, funding and manpower. In the 2015-2016 State budget the park's operating budget was again cut in half. Additional funding is so important to maintain both parks.

PURPOSE: Port Royal State Park is a significant cultural, historical, and recreational asset for our community. The park's potential to be further developed would highlight its significant role in our nation's history as a part of the Trail of Tears. A re-examination of the park's needs would allow for establishing long range plans for increased development.

Commissioner John Genis, district 9@mcgtn.net, 931-802-3028

IX. LAW ENFORCEMENT / FIRST RESPONDER

LEGISLATIVE ITEM: Support and actively advocate for any and all Federal and State funding in support of the Clarksville/Montgomery County Law Enforcement/First Responder effort. This includes, but not limited to, body cameras for Patrol Officers, addition funding for training, improved equipment and additional matching funding for personnel.

PURPOSE: As the Clarksville/Montgomery County area continues to grow, the need to meet citizen safety and security increases. This includes daily Community Policing policies, increased public relations and improved training to handle increasingly diverse situations. The Federal Government has approved funding assistance for local communities, and with the help and vigilance of the Tennessee Legislature, our State will not be left out of this much needed funding.

For more detailed information please contact the following individuals:
Commissioner John Genis, district9@mcgtn.net, 931-802-3028 or Sheriff John Fuson, [jfsuson@mcgtn.net](mailto:jfusun@mcgtn.net), 931-648-0611

X. CONTINUE TO SUPPORT

Commissioner Tommy Vallejos, electtommyvallejos@yahoo.com,

COUNTY TRUSTEE OR CITY TREASURER'S
YTD REPORT

OF
RECEIPTS FOR PUBLIC SCHOOL FUNDS

INSTRUCTIONS:

ALL RECEIPTS SHOULD BE SHOWN AT THEIR GROSS AMOUNTS BEFORE DEDUCTION OF TRUSTEES COMMISSIONS, WHICH ARE TO BE SHOWN SEPARATELY. THE GROSS RECEIPTS OF EACH SCHOOL FUND SHOULD BE SEPARATELY STATED AS INDICATED. IN THOSE CASES WHERE THE COUNTY RECEIPTS ARE DIVIDED WITH ONE MORE CITY OR SPECIAL SCHOOL SYSTEMS, THE GROSS AMOUNT ALLOCATED TO EACH RECEIPT SOURCE IS TO BE MADE BEFORE THE TRUSTEE COMMISSION IS COMPUTED.

PLEASE DO NOT CREATE ANY NEW ACCOUNTS BUT CLASSIFY YOUR RECEIPTS ACCORDING TO THE EXISTING ACCOUNTS CONTAINED IN THE ANNUAL FINANCIAL REPORT. IF A RECEIPT DOES NOT SEEM TO FIT AN EXISTING ACCOUNT CLASSIFICATION, PLEASE LIST IT ACCORDING TO THE ACCOUNT WHICH, IN YOUR OPINION, COMES NEAREST TO DESCRIBING IT.

I, Brenda E. Radford, Trustee or Treasurer of Montgomery

County, City or SSD hereby certify that this report is true and correct to the best of my knowledge and belief.

The Honorable Jim Durrett, Mayor
and Honorable Board of Commissioners
Montgomery County
P.O. Box 368
Clarksville, TN 37041

Dear Mayor Durrett and Members of the Board:

The Office of State and Local Finance ("OSLF") received a request from Montgomery County (the "County") on August 17, 2016, to approve the issuance of tax and revenue anticipation notes ("TRANs") for fiscal year 2017, in the amount of \$1,000,000 for the School Federal Projects Fund as an interfund loan from the Debt Service Fund.

The request included Resolution No. 16-6-11, adopted on June 13, 2016, by the County Commission, authorizing the issuance of tax and revenue anticipation notes. The request included cash flow forecasts for the School Federal Projects Fund and Debt Service Fund, prepared by the County, supporting the need to issue the TRANs, the County's ability to repay the TRANs by June 30, 2017, and the ability of the County to make an interfund loan from the Debt Service Fund.

The financial information presented by the County represents assertions of its financial condition and may or may not reflect the current or future financial condition of the County.

Limitations on Tax and Revenue Anticipation Notes

Counties in Tennessee are authorized to issue TRANs pursuant to Tennessee Code Annotated, Title 9, Chapter 21 for the purpose of meeting appropriations made for the current fiscal year in anticipation of the collection of taxes and revenues of that fiscal year, subject to the prior approval of the Comptroller of the Treasury. TRANs may not be issued to pay expenditures from the prior fiscal year.

The authorized amount of TRANs must not exceed 60% of the annual appropriation for each fund involved, and future revenues projected must be sufficient to provide for the payment of the TRANs by June 30, 2017. The maximum amount the Office of State and Local Finance can approve is equal to 5% of total annual cash payments less the lowest ending cash balance for the fund.

We have determined that the County's request is within the percentage limitations described above.

Fiscal Year 2017 Budget

The County Commission approved the fiscal year 2017 budget on June 13, 2016.

Debt Management Policy

The County provided a copy of its debt management policy, and within forty-five (45) days of issuance of the debt approved in this letter, is required to submit a Report on Debt Obligation that indicates that this debt complies with its debt policy. If the County amends its policy, please submit the amended policy to OSLF.

Tax and Revenue Anticipation Notes Approval

This letter constitutes approval for the issuance of \$1,000,000 School Federal Projects Fund TRANs as an interfund loan from the Debt Service Fund.

Dec., 2007-The Worst Recession since the Great Depression began

June, 2009-Official Ending of the Worst Recession since the Great Depression

October, 2010-"This is the Slowest and Feeblest Recovery in the U.S.A.'s History,"~Steve Forbes

First Quarter, 2011-4/4&13/11 WSJ called the US Economy "The Incredible Shrinking Recovery"-The US Economy appears to have grown by little more than 1.5% in the 1st Qtr., well below the 4% annualized most expected back in January.

It is no coincidence that bank earnings have been retreating as well. Inflation/Stagflation, in the 3 months ending Feb., 2011, was running at an annualized rate of 5.6% and does not come close to compensating Investors with their current low interest rate of .00%- .25%.

WSJ-"Great Symbolic Blow" 8/5/11-America Gets Downgraded from AAA+ to AA+ by Standard & Poors-now 18 countries in the world have a better credit rating than the U.S.A.

Jan. 2013-THE NEW YORK TIMES Matthew Bishop "The latest green shoots of recovery in the Unites States already show signs of turning brown." Paul Krugman "Without a radical change in economic policy in both the Unites States and Europe, the likiest outcome is a prolonged depression, perhaps not as "great" as in the 1930's but with clear similarities, above all in the immense human cost of needlessly high unemployment."

Jan. 14, 2013 Hemlock Semiconductor LLC delays the start up of the Clarksville facility.

October 14, 2013, Hankook Tire coming to Clarksville with 1,800 direct jobs and build an \$800million manufacturing facility in Clarksville/Montgomery County

December 16, 2014-Fort Campbell uncertainty and Hemlock to close permanently. Leaf Chronicle

Quarterly Financial Report for June 30, 2016

The quarterly financial report presented tonight is for the period ending June 30, 2016. The report consists of three statements for each of the six school system budgets (funds) appropriated by the County Commission.

Those funds are: General Purpose School, Federal Projects, Child Nutrition, Transportation, Extended Schools and Capital Projects.

The first statement is a balance sheet which is a picture of the financial condition of that particular fund at a point in time. The asset section represents the resources available to the district for payment of its obligations, much like your personal or business checking account along with any amounts due from others. The liabilities section reflects current amounts due to others. The equity section contains amounts held for future obligations to include fund balance and certain required reserves.

The second statement is a cash reconciliation which is basically comparing our cash balance to that of the County Trustee. This is similar to reconciling your check book to your bank statement.

The third statement for each fund is a report of all revenues and expenditures by category. This report reflects the approved budget amount as amended, amounts received or spent year to date (including encumbrance for purchase orders issued but not paid), and the amount under/over collected for revenues or the amount over/under spent for expenditures.
