Subject Matter - We need the nationwide pattern of overcapacity animal shelters on the agenda of the National Governors Association. I have quotes from multiple Animal Shelter Directors who told me they support new methods that are desperately needed to save lives such as:

- (1) Getting all aspects of animal welfare included in public school lessons
- (2) Increasing the frequency and urgency of public service announcements

We must implement these new strategies and more because the quotes I have from numerous shelters regarding their often being overcapacity with high euthanasia rates (including hundreds of kittens euthanized by individual shelters) prove many rescuers have done everything possible for many years but there's still so much suffering and death!

Humans are being harmed too ! I have quotes from medical experts who say that staff and volunteers who see animals suffering must keep their selves emotionally healthy or they'll be "at high risk of depression, anxiety, physical illness and even suicide!" Many rescuers are constantly overwhelmed and exhausted but they continue on because so many lives are at risk !

Animal life Saver Charlsie Hand told us : "Most people don't know or understand the suffering going on."

Animal Sheltering Magazine wrote :

"In the animal sheltering world, it's easy to fall into old and familiar ways of doing things."

The "old and familiar ways" are no longer sufficient because there is still so much suffering and death even though many people are sacrificing so much to try to help !

**WHEREAS,** the Montgomery County Veterans Treatment Court Mentor Corp (Corp) assists the Veterans Treatment Court (VTC) Program by mentoring and helping participants stay motivated and moving forward in the program; and

**WHEREAS,** the Corp is a team of veterans who willingly volunteer their time; donate personal funds for programs; coordinates with VTC staff for events outside of the court to involve participants and their families; attends court sessions as well as mentor training events; provides transportation, home care and family support in times of need; provides continuous support for Veterans Treatment Court for Life participants by creating a strong, enthusiastic, and positive support group to help encourage those participants to become mentors as well; and

**WHEREAS,** the Corp is one of the key components that make the VTC a successful program. They are examples of honor, duty and selfless service with the utmost dedication to the participants in all their needs while going through the rigorous VTC program; and

**WHEREAS,** the Corp provides an open line of communication and support with VTC participants and are willing to provide a positive voice and level head in times of crisis or just daily life. They lead by example and demand that mentees demonstrate high standards of personal conduct, morality and citizenry; and

**WHEREAS,** the Mentor Corp gives participants of the VTC the support that only a Veteran of the Armed Forces can provide because they understand the participant's mentality and way of thinking. The Mentors live by the creed, "Leave No Veteran Behind!"

**NOW, THEREFORE, I, JIM DURRETT,** on behalf of the citizens of Montgomery County, TN, do hereby applaud the Mentors of the Veterans Treatment Corp for their selfless dedication in mentoring the participants of the Veterans Treatment Court Program and striving to restore Veterans to their honored status within our community!

1. The proposed zoning request is consistent with the adopted Land Use Plan.
2. The majority of Highway 41-A in Sango is zoned Commercial (C-1 through C-5). An adjacent parcel to this request is zoned C-5. Resthaven Cemetery is existing to the rear and a good transition from a larger 700+ unit detached residential development to the east.
3. R-4 Multi Family Residential District is a good use adjacent/behind Commercial zoned parcels and off major roadways.
4. Sango has continued to develop with commercial uses, single family detached (dense and less dense), and multi family uses to the south to Sango Drive
5. Multi Family housing is a continued need in Clarksville-Montgomery County

INTERGOVERNMENTAL SUPPORT AGREEMENT (IGSA)

BETWEEN THE UNITED STATES

AND

CLARKSVILLE (MONTGOMERY COUNTY), TN

**FORT CAMPBELL ANIMAL CONTROL SERVICES ORDER # CAMP-IGSA-17-01**

This is an Intergovernmental Support Agreement (hereafter referred to as the IGSA or Agreement) between the United States and Montgomery County, TN (hereafter COUNTY is used for brevity throughout this model) is entered into pursuant to federal law codified at 10 USC 2679. The statute authorizes the Secretary of the Army to enter into an IGSA on a sole source basis with a state or local government to receive installation support and services. The Secretary of the Army has delegated authority to IGSA Agreements Officers (hereafter Agreements Officer) to execute agreements on behalf of the United States.

The purpose of this IGSA is to outline the roles and responsibilities of the parties, identify the services to be furnished by the COUNTY, the prices to be paid by the United States, and the appropriate reimbursement and quality control procedures. The parties undertake this Agreement in order to provide services, supplies or construction to the United States, to achieve cost savings for the Department of the Army, and to provide additional revenues to local governments and their work forces.

**RESPONSIBILITIES OF THE PARTIES:**

The COUNTY shall perform the installation support services as stated in this IGSA. The term "installation support services" only includes services, supplies, resources and support typically provided by a local government for its own needs and without regard to whether such services, supplies resources, and support are provided to its residents generally, except that the term does not include security guard or firefighting services.

This is a non-personal services agreement. Each party is responsible for all costs of its personnel including pay, benefits, support and travel. Each party is responsible for supervision or management of its personnel.

The tasks, duties and responsibilities set forth in this IGSA may not be interpreted or implemented in any manner that results in COUNTY personnel creating or modifying federal policy, obligating appropriated funds of the United States, or overseeing the work of federal employees. Under no circumstances, shall COUNTY employees or contractors be deemed federal employees. If the COUNTY shall provide services through a contract, the contract must be awarded through competitive procedures. (This requirement does not apply to collective bargaining agreements between the COUNTY and its employees.) Employees of the United States may not perform services for or on behalf of the COUNTY without the approval of the Agreements Officer.

#### SUMMARY OF SERVICES AND PRICE:

In consideration for the services to be provided by the COUNTY, the United States agrees to pay the COUNTY in accordance with the following amounts:

1<sup>st</sup> year: Base Year One Service Costs

Service/Supply	Quantity	Unit	Unit Price	Total
Full-Time Animal Control officer	1	Ea.	\$25.40	\$52,800.00
Part-Time Animal Control officer	1	Ea.	\$25.40	\$30,000.00

Euthanasia Cost	20	Ea.	\$150.00	\$3,000.00
3-Day Boarding	350	Ea.	\$56.10	\$19,635.00
Emergency Care	10	Ea.	\$125.00	\$1,250.00
Total Year One Cost to Government				\$154,035.00

#### TERM OF AGREEMENT

The term of this Agreement shall be for one year from the execution of the Agreement by the Agreements Officer, and renewable for successive one year periods for up to 4 additional years. The United States shall only be obligated for one year of performance under the agreement, as it has no authority to obligate additional periods of performance without appropriation of adequate funds by the Congress. The United States shall only be obligated for an additional year of performance upon receipt of such funds, and only upon written notice by the Agreement Officer of an intent to award the option for an additional year of performance. The Agreements Officer shall provide notice of the renewal of the IGSA at least 10 days prior to the expiration of then current performance period. The Agreements Officer may condition the renewal upon availability of funds, and may suspend performance of the renewed period at no additional cost to the United States, until adequate funds have been received. If funds are not received, the parties agree that the Agreement can be unilaterally terminated by the Agreements Officer without further liability to the United States. \* Indicates there will be a 2.5 % Cost of Living (COLA) increase in wages and benefits to assigned officers each year.

PAYMENT: The United States shall pay the COUNTY for services based upon satisfactory completion of services on a monthly basis. Payment shall be based on services provided as set forth in this Agreement. The COUNTY shall not include any State or Local taxes in the prices it charges the United States unless approved by the Agreements Officer in advance. The COUNTY shall electronically submit invoices or payment requests to the Government's Contracting Officer Representative (COR) or the Coordinating Representative (CR) and the Agreements Officer. The Agreements Officer will not authorize payment unless all billed services have been satisfactorily completed, and may reduce the

amount(s) billed for unsatisfactory or partial performance, or for other reasons specified in this Agreement.

The Government will make payment in accordance with the Prompt Payment Act (31 USC 3903) and implementing regulations. Interest shall be paid for late payments as required by the Act, and shall be paid at the rate established by the Secretary of the Treasury for disputes under the Contract Disputes Act of 1978.

Payment will be made by CR through the General Fund Enterprise Business System (GFEBS). Rates may only be adjusted upon 90 days written notice to the CR and the Agreements Officer. If the CR or his representative disagree, the parties shall discuss the proposed rate, changes in the services, or other modifications to discuss the proposed rates, changes in the services, or other modifications to the Agreement. Modification to prices in the Agreement must be reduced to writing and approved and incorporated into the Agreement by the Agreements Officer. Cost of Living will be adjusted every year.

OPEN COMMUNICATIONS AND QUALITY CONTROL: The Parties shall identify and present any issues and concerns that could potentially impede successful performance of the IGSA in a timely and professional manner. The COUNTY shall maintain a quality control plan to ensure all work is completed within the specified timelines and quality standards specified in the Agreement. After its execution, an initial joint meeting of the Parties will be conducted to discuss the terms of the IGSA. The initial meeting shall also discuss orientation of the COUNTY and its employees to work areas on the installation as well a phase-in plan to permit the orderly transition of responsibilities for performance of the services by the COUNTY.

INSPECTION OF SERVICES: The COUNTY will only tender services and goods in conformance with the IGSA. The Fort Campbell Garrison Commander shall appoint a CR who will be responsible for inspecting all services performed. The COUNTY will be notified of the identity of the CR and his alternate, and of any changes. If services are performed outside the installation, the CR shall be granted access to areas where services are performed. The CR shall have the right to inspect and test all services; inspections and tests to be conducted in a manner that will not unduly delay the performance of work.

If the CR determines that services do not conform to the requirements in this Agreement, the CR can require the COUNTY to perform the services again, in whole or in part, at no additional cost to the government. Alternately, the CR can reduce the price to be paid for services to reflect the reduced value of the services to be performed. If the services cannot be corrected by re-performance, the CR can reduce the billed price to reflect the reduced value of the services to be performed. The CR may alternately, in his sole discretion, waive price reductions or re-performance of services. Such waivers shall not constitute a waiver of requirements in the IGSA unless approved in writing by the Agreements Officer.

If the COUNTY is unable to perform any of the services due to an occurrence beyond the reasonable control of the parties, such as Acts of God, unusually severe weather, or government activities on the installation which impede the COUNTY's performance, the COUNTY shall promptly notify the CR.

In those rare instances in which the COUNTY fails to re-perform services or abandons performance, the United States may perform or contract for performance of the services and charge those costs to the COUNTY. Except in an emergency, the United States will not exercise this authority without providing prior notice to the POC designated by the COUNTY to allow for amicable resolution of issues between

the parties. If services are deemed to be deficient and cannot be corrected to the satisfaction of the CR, the Agreements Officer may terminate the IGSA immediately. Such termination shall not become effective without prior notice and consultation with the COUNTY POC identified in this agreement.

**TERMINATION:** The IGSA may be terminated by mutual written agreement at any time. Except as otherwise specified in this agreement, either party can unilaterally terminate this IGSA upon 180 days written notice to the POCs designated in this Agreement.

The United States reserves the right to terminate this agreement for its convenience at any time. When notified by the Agreements Officer of the termination, the COUNTY shall immediately stop all work. The government will pay the COUNTY a percentage of the agreed price reflecting the percentage of work performed to the notice. The COUNTY shall not be paid for any work performed or costs incurred which reasonably could have been avoided.

**SUSPENSION OF AGREEMENT:** The United States reserves the right to suspend performance of the agreement or access to the installation in event of emergencies, mobilizations, national security reasons, or for other reasons outside the control of the United States.

**APPLICABLE LAW:** The IGSA is subject to the law and regulations of the United States. If any federal statute expressly prescribes policies or requirements that differ from the terms and conditions of this IGSA, the provisions of the statute shall govern.

**CLAIMS AND DISPUTES:** The parties shall use their best efforts to resolve any disagreement or disputes they may have regarding this Agreement. To minimize disputes, the parties will meet periodically, preferably on a monthly basis, to discuss performance and any other issues they may have. The CR shall represent the United States in such meetings.

If the parties are unable to resolve an issue, the CR or the COUNTY may submit a claim arising out of the Agreement to the Agreements Officer for a final decision. The written submission must specify the nature and basis for the relief requested and include all data that supports the claim, and may designate a COUNTY representative to discuss the claim and its resolution. The Agreements Officer shall issue a final decision within 90 days of receipt of each claim. The parties agree to the above procedures in lieu of litigation in any forum.

If the COUNTY is dissatisfied with the Agreements Officer's decision, it may appeal the matter to the Installation Commander and must specify the basis of its disagreement. The Installation Commander or their designee shall issue a final determination on the matter within 60 days of receipt of the appeal. The final determination shall be reduced to writing and provided to the POCs specified in this agreement. All final determinations that result in the payment of additional funds to the COUNTY must be coordinated with the Agreements Officer.

As part of its appeal, the COUNTY may request alternate disputes resolution (ADR) to resolve disputes; the United States may agree to use of ADR in its sole discretion. If ADR procedures are employed, the Installation Commander shall consider the findings and recommendations of the third party mediator(s) in making his or her final determination.

**NOTICES, POINTS OF CONTACT (POCs), ANNUAL REVIEWS, AND AMENDMENTS TO THE IGSA:** The POCs for issues pertaining to this IGSA are as follows:

For the United States, the CR or his designated representative.

For the COUNTY: David Kaske (Animal Control Director) or his designated representative

Unless otherwise specified, all notices under this Agreement shall be provided to the POCs specified above.

The POCs and a management official at least one level above the POCs, as well as the IGSA Agreements Officer shall meet annually to discuss the IGSA, and consider any amendments to the Agreement.

Any party can propose amendments at any time. All amendments must be reduced to writing and incorporated by amendment to Agreement by the Agreements Officer in order to be effective.

DUTY TO PROTECT UNITED STATES GOVERNMENT PROPERTY ON THE INSTALLATION: The COUNTY shall conduct a visit of the installation with the CR prior to performance to satisfy itself of the general and local conditions existing on the installation to include sites where services will be performed. The COUNTY shall prepare an accident avoidance plan to protect United States property on the installation. The COUNTY shall take measures to protect and not damage any property of the United States during performance of services. Should the COUNTY damage such property, the COUNTY may replace the item or restore it to its prior condition at its own cost or reimburse the United States for such costs. If the COUNTY does not take measures to replace or restore, the United States reserves the right to deduct replacement or restoration costs from amounts billed by the COUNTY each month. The CR shall provide written notice of the United States' intent to offset costs against billings to allow the parties to resolve the matter amicably. Such resolution can include a schedule for payments to cover the loss or restoration of United States property over the term of the current period of performance.

CONTINUITY OF SERVICES: The COUNTY recognizes that the services under this Agreement are vital to the United States and must be continued without interruption, and performed even in event of a dispute between the parties. Should the United States terminate this Agreement for any reason, the COUNTY agrees to furnish phase-in training to any successor contractor and exercise its best efforts and cooperation to effect an orderly and efficient transition of services.

WAGES AND LABOR LAW PROVISIONS: These provisions apply to the COUNTY and any contractor performing services under this IGSA on behalf of the COUNTY. The COUNTY shall be exempt from federal labor statutes, provided it pays its employees at wage grades or rates normally paid by the COUNTY and complies with all applicable COUNTY labor laws and standards. In no event, however, shall any employee be paid at wage rate below the minimum wage established in the Fair Labor Standards Act. The COUNTY shall comply with all applicable federal, state and local occupational safety and health requirements and standards. If the PUBLIC PARTNER has knowledge that any actual or potential labor dispute by its employees may delay or threaten to delay performance of the contract, the COUNTY shall immediately notify the CR and the Agreements Officer. The COUNTY shall provide timely updates until the dispute is resolved.

NON-DISCRIMINATION AND SEXUAL ASSAULT/HARASSMENT: This provision applies to the COUNTY and its contractors. The COUNTY agrees not to discriminate against any employee based upon race, color, religion, sex, national origin, or sexual orientation, or to allow any employee to engage in discriminatory practices or conduct while performing work under this IGSA. The COUNTY shall not permit employees which engage in sexual assault, sexual harassment or trafficking to perform services under this IGSA.

The COUNTY shall not engage in age discrimination, and shall comply with the Americans with Disabilities Act with respect to the hiring and accommodation of employees performing services under this IGSA.

TRANSFERABILITY: This Agreement is not transferable except with the written authorization of the Agreements Officer.

ACTIONS OF DESIGNEES: Any act described in the IGSA to be performed by an individual or official can be performed of the designee of such individual or official, with the exception of the Agreements Officer.

## **ATTACHMENT 1: PERFORMANCE WORK STATEMENT**

**Scope:** Provide animal control services on the Fort Campbell cantonment area to protect the health, safety, and harmonious coexistence of personnel, their family members, and their animals on this installation. Animal control services will ensure that stray animals are controlled on the installation to prevent damage to United States government property and affect mission accomplishment.

### **1. Basic Services.**

**1.1** The COUNTY shall on "request for services" proceed to the specified area on the Fort Campbell cantonment area which includes all housing areas. The COUNTY shall impound all domestic animals observed as a stray animal as dispatched for. The COUNTY shall transport all live captured domestic animals to the Montgomery County Animal Control Facility (ACF) or the Stray Animal Impound Facility (SAIF). Personnel who are directly involved in capturing and impounding domestic animals will maintain communications with the Fort Campbell Provost Marshall Office via cellular telephone. The COUNTY will not be responsible for removing and/or disposing of dead animals found on Fort Campbell.

**1.2** The COUNTY shall be dispatched for a request for service on Fort Campbell by the Fort Campbell Directorate of Emergency Services (DES) Integrated 911 Center when domestic animal control issues arise. The COUNTY shall be available to receive and respond to "request for service" 24 hours per day, 7 days a week to include weekends and holidays.

### **2. Stray and Feral Animals**

- 2.1** During a request for service, the COUNTY shall impound, in a humane manner, all stray domestic and feral animals and transport them to the Montgomery County Animal Control Facility (ACF) or the Stray Animal Impound Facility (SAIF).
- 2.2** The COUNTY shall receive telephonic calls from the Fort Campbell 911 center to impound domestic animals that have been observed or reported as a stray or feral animal. The COUNTY shall proceed to the specified location according to the call priority standards stated in section 5 of this document. All stray and feral animals captured will be taken to the Montgomery County Animal Control Facility (ACF) or the Stray Animal Impound Facility (SAIF) for the purpose of sheltering animals.
- 2.3** An Animal Control Officer (ACO), upon receiving any animal for impoundment, shall record the description, breed, color, sex, and microchip information of the animal and the date and time of impoundment. If the animal is microchipped or if the owner is known, the officer shall enter the name and address of the owner or the microchip number on the impoundment records. If the animal is microchipped and the owner is unknown, the ACO shall telephone the appropriate microchip company. If the owner is identified, the ACO shall contact the owner. If unsuccessful in attempting to telephone the owner, the ACO will notify the COR.

**2.4** Unless the animal is reclaimed within 72 hours after entering the COUNTY animal control facility, Sundays and Federal/COUNTY holidays excluded, the animal may be adopted or humanely disposed of by the ACF. Attempts to contact the owner will be recorded on the impoundment record and a copy provided to the COR.

**2.5** Animals that are reclaimed and reside on Fort Campbell property must meet the requirements of the Fort Campbell Regulation 40-7 before returning to on-post housing. Owner(s) shall provide proof of registration from Fort Campbell. This shall be accomplished at the owner's expense.

\*Requirements for dogs: microchip; confirm up-to-date rabies, distemper, hepatitis, parainfluenza and canine parvovirus, and Bordetella Brochiseptica; heartworm test annually, taking current heartworm preventative; annual fecal exam for intestinal parasites.

\*Requirements for cats: microchip; confirm up-to-date rabies, viral rhinotracheitis, calicivirus, and panleukopenia (FVRCP) vaccines; outdoor cats are up-to-date on feline leukemia (FeLV) vaccine; annual exam for intestinal parasites.

**2.6** Any animal that comes into possession of the COUNTY ACF that is seriously injured, sick, or exhibiting symptoms of contagious disease shall be humanely euthanized by COUNTY ACF personnel without waiting for the 72 hour expiration period provided, however, that before such a sick, diseased, or injured animal is euthanized, COUNTY ACF personnel contact the animal's owner, if known, to determine the disposition of such animal. In the case of infectious or contagious diseases, the COR shall be notified. If the owner indicates that the animal will be reclaimed, but fails to reclaim the animal within two days of such notification, or if the owner of such animal is not known, the sick, diseased, or injured animal shall be euthanized by the COUNTY ACF. The COUNTY ACF shall keep a record of such animal, to include the breed, color, and sex of the animal, the date and time the animal came into possession of the ACF, the type of injury, disease, or sickness of the animal, the date the animal was euthanized, and any other information relevant to the health, condition, and description of such animal. ACF will provide consultation to Fort Campbell DES as needed for animal abuse and neglect cases. If, in the course of investigating, apprehending, or otherwise taking custody of a potentially dangerous domestic animal, or a domestic animal in which there is a reasonable suspicion to believe is potentially dangerous, such animal is not securely restrained, or an ACO or military law enforcement officer has reasonable suspicion to believe that the animal poses an immediate threat of serious physical injury or death to any person or other domestic animal, said ACO shall notify military law enforcement to render such dangerous domestic animal immobile by means of deadly force to humanely dispose of the dangerous domestic animal.

**2.7** Upon being notified of an area being frequented by stray domestic animals, the COUNTY, after exhausting all available capture measures and methods except trapping, shall coordinate with Fort Campbell DES and Directorate of Public Works (DPW) to place traps that are specifically designed for the humane capture of domestic animals. DPW Pest Control personnel shall check all traps at least twice per day to ensure that no trapped animal is subject to extreme weather conditions, lack of food/water, or any adverse conditions that could cause harm or injury to the trapped animal. DPW Pest Control personnel will be

responsible for restocking the trap with fresh food. Wild (not including Feral Cats) animals that are captured in traps shall be released in the wild. Upon capture of a stray domestic animal in a trap, a COUNTY ACO will be notified to collect and transport to the COUNTY ACF.

### **3. Quarantine Procedures/Animals Involved in Bites - Currently administered by VETCEN (Fort Campbell Veterinarians)**

#### **4. Surrender of Pets by Owners**

**4.1** The COUNTY may accept the surrender of pets by their owners subject to the availability of space in the COUNTY ACF. Only owners residing in Fort Campbell family housing are eligible to surrender their pets under this IGSA. The COUNTY will verify the owner's residency based on presentation of a signed Memorandum for Record from the Installation Veterinary Clinic before accepting any animals. After a three day quarantine/holding period, the impounded animals surrendered by their owners that have not been reclaimed become the property of the COUNTY and can be placed for adoption or otherwise disposed of in a humane manner or as required by State law.

#### **5. Call Priority**

##### **5.1 Priority 1 (Need an ACO to Respond Now) typically 45 minutes**

Animal in Vicinity of Barracks

Person in Danger

Aggressive Animal

Assistance to Law Enforcement or another ACO

Possible Rabies Exposure

Animal Bites (including animal on animal)

Severely Injured or Severely Sick Animal

**To:**

Greetings Commissioners,

My name is Amy Shaver, and I am currently serving my second term on the Animal Control Committee that voted to present the Fort Campbell agreement to you all for discussion and vote. I am also the Executive Director for the Humane Society of Clarksville-Montgomery Co. and have served with them since 2002.

As a member of the Animal Control Committee, I initially voted in favor of the agreement primarily to support a positive working relationship with Fort Campbell. After looking into things further, I have since had a serious change of heart, which I have voiced to the Mayor, Director Kaske, and the Animal Control Committee.

The following are important points for your consideration before casting your vote:

1. I took the liberty of contacting the Army Contracting Command office to find out what is currently being paid for animal control services. Fort Campbell recently renewed their contract with Chenega for the period of 9 Jun 18 - 8 Jun 19 with a price tag of \$35,990 monthly (\$431,880 annually). When presenting this information to the AC Committee, I was told it was irrelevant, but I disagree. It is helpful in any negotiation to know what is being paid and for what services, and if anything, it tells us what "wiggle room" may be available to work with should we decide these are not acceptable terms for Montgomery County to move forward with.
2. The Chenega contract provides 4 full-time employees, 1 part-time employee, 24/7 stray pickup service, and sheltering & adoptions for strays from the on-site facility at Fort Campbell. Despite heavy online marketing and weekly off-site adoption events by the current staff, the facility stays full.
3. The proposed agreement with MCAC is nearly 1/3 the funding (\$154,035 annually /\$12,836 monthly) and expands the current contract to include taking in owner surrenders and feral cats with just 1 full-time and 1 part-time officer. Yes, these employees will also be usable for 24/7 service throughout Montgomery Co., but perhaps we could look into adding that service anyway with the addition of new revenue being created by the county rabies fees & other fee increases implemented last summer and more recently, the addition of owner surrender fees & microchipping fees.
4. The terms of the proposed agreement are based on 2017 intake numbers provided by Fort Campbell, but it is important to note that the facility currently is NOT allowed to take in owner surrenders or feral cats, which ARE included in the proposal. Fort Campbell has always had a huge feral cat issue, and MCAC has always expressed concern that the transient community from Fort Campbell has greatly contributed to high intake & euthanasia rates. For more than a decade, MCAC has only allowed surrenders by military personnel with proof of Montgomery Co. residency... but under this agreement: "Owners residing in Fort Campbell family housing are eligible to surrender their pets under this IGSA." It is a gross oversight to base this agreement on only the stray intakes from 2017, because owner surrenders and ferals could easily double and possibly even triple the intake numbers currently proposed.
5. Per the proposal, it appears that any surrendered pets from Ft. Campbell will have to be held for 3 days whereas Montgomery Co., under our new owner surrender policy, allows for immediate adoption. (Reference Section 4.1 on Page 10 of the proposed agreement: "after a 3-day quarantine/holding period, the impounded animals surrendered by their owners that have not been

reclaimed become the property of the county and can be place for adoption or otherwise disposed of in a humane manner or as required by state law.") Facilities that stay at full capacity do not have the luxury of holding owner surrendered animals for 3 days... if we are required to do so for Ft. Campbell animals, euthanasia rates will inevitably increase for Montgomery Co. animals due to lack of space.

6. It is being presented that we will benefit from having access to kennels at the Fort Campbell shelter, but both MCAC and Ft. Campbell facilities already stay full without the additional burden of owner surrenders and feral cats from Fort Campbell. More staff will inevitably have to be hired full-time in order to responsibly care for the animals at the Fort Campbell facility.
7. The agreement only calls for 25 euthanasias, but with both facilities sure to be at capacity, this figure will need to be increased by quite a bit; otherwise, Montgomery County taxpayers will be footing the bill for increased euthanasia, which is the very thing we have been fighting so hard to reduce over the last several years.
8. We are required to take in feral cats under the proposal, but what will happen to them? They are not adoptable, which leaves two options: (1) Euthanize, which means the agreement would need to be adjusted to account for increased euthanasias; or (2) Spay-neuter & release. Is Ft. Campbell okay with these cats being fixed & returned to base? If so, additional spay-neuter funds should be reflected in the agreement.

As much as I love and support partnerships with the military (I am a proud retired military brat!), they have everything to gain with this endeavor and Montgomery County, the Fort Campbell community, and the animals in both jurisdictions have everything to lose. Animal control services on Fort Campbell under the current contract with Chenega are running better than they ever have in all my years of rescue, and it is very unfortunate that the military doesn't want to continue to pay for that. But, as someone who has a vested interest in MCAC being the very best it can be AND genuinely feeling like we have the best director in place than we've ever had before, I feel like this "partnership" will be a disservice to all involved and a bigger headache than \$150,000 will ever be able to touch.

The community, including MCAC staff & volunteers, have spent the last 20 years of my career complaining about lack of space, funds & personnel at MCAC... how do we justify this?? I don't think it is realized just how many thousands of dollars and countless volunteer hours are put into helping MCAC reduce intake & euthanasia, and to me, saying yes to this partnership is a kick in the gut to every one of us.

The timing is too soon. We have made a LOT of progress with YOUR help over the last year with the addition of various fees and fee adjustments that should bring in additional revenue for MCAC, and we have an experienced leader in Mr. Kaske. **I respectfully request that this discussion be tabled for a minimum of 1 year to allow our Animal Control Department and our new Director to implement all new changes, collect associated revenues, and reevaluate where we are as a shelter before deciding if we can effectively take on the responsibilities of an additional community without sacrificing quality of service to Montgomery Co. taxpayers.**

p.s. If anyone feels like it would be beneficial to obtain a copy of the current contract with Chenega, I do not have a copy but would be happy to pass along the Contract # and FOIA request instructions that were provide to me.

With kindest regards,

--

**Subject:** Please forward to all of the commissioners..thanks :)

Dear Commissioner,

My name is Charlsie Hand. I am a lifelong resident of Clarksville, Montgomery county. I have been a volunteer and involved in animal welfare for over 17 years. I am writing in regard to the proposed contracted partnership between our animal control and the Fort Campbell animal control facility. I am respectfully asking that you vote no on this proposal. I have spoken with Director Dave Kaske who was kind enough to meet with me and answer questions. I believe he is doing an excellent job and am very impressed with him so far. I also visited the Fort Campbell facility.

They have 8 dog runs and about 20 cat cages. Some of the cat cages have up to 3 cats or kittens in each cage.. The day I went the cat room was full.

Under the new proposal that facility will not be manned by anyone. As I understand it all of the animals that enter that facility will go to our animal control. We are already bursting at the seams .Even if we hire two new people that is not going to change the fact that we are taking in an additional 500 ( or more ) animals per year. In the contract a 24 hour officer will be on call which means that number of animals absorbed by our shelter will most likely increase. I do not want to see our euthanasia numbers go up and I believe that would happen if we agree to this partnership. Mr Kaske has done an incredible job getting these numbers down since his arrival. He has worked hard to partner with rescues here and in Nashville. Our euthanasia numbers have started going down. If we take on Fort Campbell's burden and take their strays and emergency calls, I cannot see how we benefit . Even if we get 2 new officers at \$154 ,000 I think our tax payers will end up footing the bill for the increased number of animals euthanized if we proceed with this partnership. Not to mention wear and tear on our vehicles, vet bills, insurance ,cleaning bills and pet supplies.

In the proposal, we will be responsible for the feral cat population. Feral cats are not adoptable and will certainly have to be euthanized. Under the terms, all animals have to be held for three days. This is going to take up valuable space for adoptable animals and goes against everything we have strived for and worked for the past 17 years that I have been involved. Why would we take this on when our shelter is already full and has many problems that need to be addressed? As far as I can see, the only one to benefit is Fort Campbell .They will be dumping their problems in our lap. I think it's a terrible idea to do that to a director that has only been here a few months when he has so much work to do at our already overcrowded and underfunded shelter. I think we should focus on funding and improving our facility before we take on this kind of agreement.

I have worked with 5 directors in the past few years. Mr. Kaske is the first one that has shown the ability to make a difference. I am appreciative of the commission's vote to implement owner surrender changes and microchipping. I ask you to vote "no" to this so we can continue to get our house in order.

I and many others work very hard and give of our time and resources to reduce euthanasia and improve the quality of life of the animals at MCAC. In my opinion this would be a big setback and a bigger headache for everyone involved. I'm not convinced \$154k is enough to even consider this venture.

I understand and appreciate the need to work with and support Fort Campbell. I value their community and understand what they mean to Montgomery county. However, I do not think this is the right way to partner with them . As an animal advocate and a business person I do not see a benefit big enough to move forward with this.

Thank you for your time and consideration and your service to our community.

**Subject:** Vote on Ft.Campbell animal control contract

Attention: Debbie  
To County Commissioners  
(Citizen of District 3)

Dear Commissioners,

A vote will be taken in regards to the Fort Campbell animal control contract with Montgomery County Animal Care and Control.

There are multiple concerns that I have with the idea of taking on a federal contract with our animal control. I read the contract and no where does it give license for Animal Control to use the facility for the overflow Clarksville ac pets. AC will be nothing more than a Contractor for the federal government. The contract has very specific perimeters on how the site will be used. Also, there are very specifics as to response time within thirty to forty five minutes. Ac will need to be available 24 hours a day. And the contract can be recinded at any time if we do not pass inspections and follow all protocols as stated in contract. In addition, Ac will be Using their own funds to feed the pets on-site pets, to use own vehicles, to pay for phone services, to pay for fuel and to pay vehicle maintenance, to pay for an additional expenses that go beyond the current projected expenses that the contract money covers. For example, that means that if the Fort Campbell site has 40 euthanisas then MCACC will have to Pay for the overage. Current projection is Twenty five euthanisas. The military is using statistics by the current contractors who are very successful on their save and on their find original owners stats. Our facility has a large gap in regards to the current contractors success rate. Again, I see no current benefit to this idea other than we will be helping the federal government by saving the them over two hundred thousand dollars. We, on the other hand, may find ourselves in debt or without funds to maintain our own facility and pets.

Please read the contract and see if you do not find the same financial and contract concerns that will add a larger burden on an already overburdened facility. Recently several positive votes took place to help our own animal control become a more efficient and a more responsible community. It would be a shame to find ourselves in a sink hole and find our countys reputation collapsed for the sake of helping out a federal governments budget.

Best Regards,  
Linda Combs

**RESOLUTION REGARDING ECONOMIC IMPACT PLAN ON BEHALF OF  
CLARKSVILLE HOTEL AND CONFERENCE CENTER PLAN AREA**

**WHEREAS**, The Industrial Development Board of Montgomery County, Tennessee (the “IDB”), is a public, nonprofit corporation organized and existing under, and by virtue of, the provisions of Chapter 53, Title 7, Tennessee Code Annotated, as amended (the “Act”); and

**WHEREAS**, the purpose of said Act, as stated therein, being to authorize the incorporation in the several municipalities in the State of Tennessee of public corporations to finance, acquire, construct, own, lease, equip and/or dispose of properties to the end that such corporations may be able to, among other things, maintain and increase employment opportunities by promoting industry, trade, commerce, tourism, and recreation by inducing manufacturing, industrial, governmental, educational, financial service, commercial, and recreational enterprises to locate or to remain in the State of Tennessee; and

**WHEREAS**, the IDB desires to induce the development of a project (the “Project”) consisting of (i) an approximately 175-200 room hotel facility containing approximately 40,000-50,000 square feet of conference space, with a gathering capacity of approximately 1,000-1,500 people (the “Hotel and Conference Center”), which shall be constructed and operated by a hotel and conference center developer and owner (the “Company”) that is approved by the IDB, the City Council of the City of Clarksville, Tennessee (the “City Council”), the Clarksville/Montgomery County Tourist Commission, also known as the Convention and Visitor’s Bureau (“CVB”), and the Batson East-Land Company, Inc. (“Batson”), which Hotel and Conference Center is more specifically described in the proposed “Economic Impact Plan for the Clarksville Hotel and Conference Center Plan Area” (the “Plan”), attached hereto as **Attachment 1** and incorporated herein by reference, together with (ii) a tract of land identified as Map 32, Parcel 14.07 in the tax records of Montgomery County, Tennessee (the “County”) and the improvements to be located thereon (the “Additional Land”) on which an access road to the Hotel and Conference Center shall be constructed, and the remainder of which shall be used primarily by one or more commercial enterprises for selling, providing, or handling any financial service or in storing, warehousing, distributing or selling any products of agriculture, mining or industry, which may include without limitation, a restaurant intended to serve the Hotel and Conference Center; and

**WHEREAS**, the IDB is authorized by the Act to, among other things, prepare and submit to the City Council and to this Board of Commissioners (“County Commission”) for their approval, an economic impact plan pursuant to Section 312 of the Act; and

**WHEREAS**, the IDB held a public hearing relating to Plan, pursuant to which the IDB will pay for the cost of performing the Work described in Sections 2 and 3 of the Plan, together with related transaction costs, closing costs, and legal expenses of the adoption and implementation of this Economic Impact Plan and the Project Agreement (the “Project Agreement”) to be entered into between the Company and the IDB (collectively, the “Project Costs”), after publishing notice of such hearing in a newspaper of general circulation in the City of Clarksville, Tennessee (the “City”) and the County at least two (2) weeks prior to the date of

the public hearing, which notice included the time, place and purpose of the hearing as well as notice of how a map of the subject area may be viewed by the public, after which hearing the IDB approved the Economic Impact Plan; and

**WHEREAS**, the County Commission has been asked to approve the Economic Impact Plan and the Incentive.

NOW, THEREFORE, be it resolved by the Board of Commissioners of the County of Montgomery, Tennessee, as follows:

**Section 1. Findings with Respect to the Project.** The County Commission hereby finds that the use of the Incentive to fund the Project Costs will develop trade and commerce in and adjacent to the City and the County, will contribute to the general welfare, and will alleviate conditions of unemployment; and that the acquisition, construction and equipping of the Project will be necessary and advantageous to the IDB in furthering the purposes of the Act.

**Section 2. Approval of the Incentive and the Economic Impact Plan.** Subject to the approval of the Project Agreement by the City Mayor and the County Mayor, the form, content, and provisions of the Economic Impact Plan, and the grant of the Incentive as contemplated herein and in said Economic Impact Plan are hereby in all particulars approved; and the Mayor is hereby authorized, empowered and directed to execute, acknowledge and deliver said Economic Impact Plan, in substantially the form now before this meeting of the County Commission, or with such changes therein as shall be approved by the Mayor executing the same, the execution thereof to constitute conclusive evidence of the Mayor's approval of any and all such changes or revisions, in the name, and on behalf, of the County.

The Mayor is hereby authorized, empowered, and directed, from and after the date hereof, to do all acts and things, and to execute all documents with the Company, the Board and/or the County as may be necessary or convenient to carry out, and to comply with the provisions of said Economic Impact Plan.

**Section 3. Miscellaneous Acts.** The Mayor, the County Clerk, or either of them, are hereby authorized, empowered, and directed to do any and all such acts and things, and to execute, acknowledge, deliver, and, if applicable file or record, or cause to be filed or recorded, in any appropriate public offices, all such documents, instruments, memoranda and certifications, certifications hereinbefore authorized and approved, as may, in his or her discretion, be necessary or desirable to implement or comply with the intent of this Resolution, or any of the documents herein authorized and approved, or for the granting and implementation of the Incentive or the undertaking of the Project for the foregoing purposes, including without limitation, the execution, delivery and recordation of any memoranda, certificates or other documents or instruments as they may deem necessary or desirable in connection with the foregoing.

**Section 4. Limited Obligation and Liability.** The obligations of the IDB under the Economic Impact Plan (the "Obligations"), and any borrowing with respect thereto, are limited obligations of the IDB and shall not be deemed to constitute a general debt or liability of the

IDB, except insofar as the Available Increment has been received by the IDB and the same is payable in accordance with the provisions of the Economic Impact Plan.

Neither the City, the County, the State of Tennessee, nor any other political subdivision thereof, shall be liable for the payment or performance of the Obligations or any agreement, or certification, of any kind whatsoever of the IDB and neither the Obligations, nor any of the agreements, Obligations, or certifications of the IDB shall be construed to constitute an indebtedness of the City, the County or the State of Tennessee, or any other political subdivision thereof, within the meaning of any constitutional or statutory provisions whatsoever.

No recourse under, or upon any statement, obligation, covenant, agreement, or certification, contained in any of the foregoing documents, or any other document or certification whatsoever; or under any judgment obtained against the IDB or by the enforcement of any assessment or by any legal or equitable proceeding or by virtue of any constitution or statute or otherwise, or under any circumstances, under or independent of the foregoing documents, or any other document or certification, whatsoever, shall be had against any incorporator, member, director, or officer, as such, past, present, or future, of the IDB, either directly or through the IDB, or otherwise, for the payment for, or to, the IDB, or any receiver thereof, for any sum that may be due and unpaid by the IDB for the Obligations. Any and all personal liability of every nature, whether at common law or in equity, or by statute or by constitution or otherwise, of any such incorporator, member, director or officer, as such, to respond by reason of any act or omission on his or her part or otherwise for, directly or indirectly, the payment for, or to, the IDB or any receiver thereof, shall be deemed to have been waived and released as a condition of, and consideration for, the execution of the aforesaid documents.

**Section 5. Captions.** The captions or headings in this Resolution are for convenience only and shall in no way define, limit, or describe the scope or intent of any provision hereof.

**Section 6. Partial Invalidity.** If any one or more of the provisions of this Resolution, or of any exhibit or attachment thereof, shall be held invalid, illegal, or unenforceable in any respect, by final decree of any court of lawful jurisdiction, such invalidity, illegality, or unenforceability shall not affect any other provision hereof, or of any exhibit or attachment thereto, but this Resolution, and the exhibits and attachments thereof, shall be construed the same as if such invalid, illegal, or unenforceable provision had never been contained herein, or therein, as the case may be.

### THE INDUSTRIAL DEVELOPMENT BOARD OF THE COUNTY OF MONTGOMERY ECONOMIC IMPACT PLAN FOR THE CLARKSVILLE HOTEL AND CONFERENCE CENTER PLAN AREA

1. **Authority for Economic Impact Plan.** Industrial development corporations are authorized under Section 312 of Tennessee Code Annotated § 7-53-101, et. seq. (the “**Act**”) to prepare and submit to cities and counties an economic impact plan with respect to an area that includes a project within the meaning of the Act and such other properties that the industrial development corporation determines will be directly improved or benefited due to the undertaking of such project. The Act also authorizes cities and counties to apply and pledge new incremental tax revenues, which arise from the area subject to the economic impact plan, to industrial development corporations to pay the cost of projects or to pay debt service on bonds or other obligations issued by industrial development corporations to pay the cost of projects.

2. **The Project.** The project (the “**Project**”) consists of (i) an approximately 175-200 room hotel facility containing approximately 40,000-50,000 square feet of conference space, with a gathering capacity of approximately 1,000-1,500 people (the “**Hotel and Conference Center**”), which shall be constructed and operated by a hotel and conference center developer and owner (the “**Company**”) that is approved by The Industrial Development Board of the County of Montgomery (the “**IDB**”), the City Council of the City of Clarksville, Tennessee (the “**City Council**”), the Clarksville/Montgomery County Tourist Commission, also known as the Convention and Visitor’s Bureau (“**CVB**”), and the Batson East-Land Company, Inc. (“**Batson**”), together with (ii) a tract of land identified as Map 32, Parcel 14.07 in the tax records of Montgomery County, Tennessee (the “**County**”) and the improvements to be located thereon (the “**Additional Land**”) on which an access road to the Hotel and Conference Center shall be constructed, and the remainder of which shall be used primarily by one or more commercial enterprises for selling, providing, or handling any financial service or in storing, warehousing, distributing or selling any products of agriculture, mining or industry, which may include without limitation, a restaurant intended to serve the Hotel and Conference Center. The Hotel and Conference Center shall be located with a main entrance off of the proposed Northeast Connector in the City of Clarksville, Tennessee (the “**City**”), on an approximately 20-acre portion of the parcel of land currently owned by Batson (such portion being the “**Property**”), identified as Map 32, Parcel 13.00 in the County tax records, and it may also include a second phase consisting of an approximately 100-room addition to the hotel and a possible expansion of the conference and event space. In order to make the Project financially feasible, the IDB intends, subject to the approval of this Economic Impact Plan by the City Council and the County Commission of the County of Montgomery, Tennessee (the “**County Commission**”), to provide a tax increment incentive pursuant to the Act to provide funds to pay the cost of performing the work described in Section 3 below (the “**Work**”), together with the transaction costs, closing costs, and legal expense of the adoption and implementation of this Economic Impact Plan and the Project Agreement (the “**Project Agreement**”) to be entered into between the Company and the IDB (collectively, the “**Project Costs**”). The IDB hereby agrees and

determines that the Project is an eligible “project” within the meaning of Section 101(15) of the Act.

3. **The Work.** The Work shall include (i) acquiring the Property, which Property shall be granted to the Company at no cost to the Company; (ii) acquiring the Additional Land; (iii) designing, engineering and grading a pad-ready site for the Hotel and Conference Center; and (iv) designing and constructing an access road to the Property across the Additional Land.

4. **Boundaries of Plan Area.** The boundary of the area that would be subject to this Economic Impact Plan, and to the tax increment financing provisions described below (the “**Plan Area**”), is the boundary of the parcels depicted on Exhibit A attached hereto. The Plan Area is hereby declared to be subject to this Economic Impact Plan, and the Project is hereby identified as the project that will be located within the Plan Area.

5. **Expected Benefits to City and County.** The City and the County expect to benefit in many ways from the provision of the Project. These benefits include:

(a) The Hotel and Conference Center is anticipated to require capital expenditure of \$30,000,000-\$32,000,000 and is expected to result in approximately 100-200 construction jobs for the City and County area. The Hotel and Conference Center will be the largest hotel in the County and the largest combined hotel and conference facility in the County.

(b) The Company anticipates that the Hotel and Conference Center will result in approximately 50 new full-time equivalent employees within 24 months of the completion of construction. The annual payroll associated with the Hotel and Conference Center is anticipated to be approximately \$1,300,000. The Hotel and Conference Center, together with the commercial development anticipated for the Additional Property and surrounding area, is anticipated to increase the number of spin-off jobs, including retail, restaurant, entertainment and office development along Wilma Rudolph Boulevard, and to generate additional sales taxes as a result.

(c) The development of the Project, which would anchor the initial development of the Northeast Connector, is expected to open up new inventory of sites for development of retail and office buildings.

(d) The Project will have a positive effect on City and County revenues. Construction of the Project will result in significant sales and use taxes on building materials and an increase in building permit fees for the Hotel and Conference Center and resulting development in the area. As noted in Section 6 below, and based on the assumptions set forth therein, the Property is anticipated to generate approximately \$431,000 in real property taxes per year when fully assessed following the completion of the Hotel and Conference Center. The Base Tax Amount and the Dedicated Tax Amount described below will be retained by the City and County during the period in which the Incentive (defined below) is repaid from the Available Increment. Upon recovery of the full Incentive amount, all property taxes generated by the Plan Area, including the Hotel and Conference Center, shall be retained by and benefit the City and the County. The Project is expected to generate about \$162,500 in annual local sales

taxes and about \$360,000 in annual hotel occupancy taxes, which shall be retained in full by the City and County.

(e) The City and County will both become greater destinations for tourism and business events as a direct result of the Project, which shall draw more visitors to the area and increase the City and County's ability to compete for higher-profile convention activities. The Property also includes approximately 17 acres proposed for a greenspace or greenway development, which will increase the livability in the City and County, a major factor in retaining young talent in the area.

6. **Financial Assistance to Project; Distribution of Property Taxes.**

(a) **Definitions.** In addition to the words and terms elsewhere defined in this Economic Impact Plan, the following terms as used herein shall have the following meaning:

(i) **"Available Increment"** means the Increment minus the Dedicated Tax Amount.

(ii) **"Base Tax Amount"** means the portion of the City and County real and personal property taxes payable with respect to the property in the Plan Area for 2017, being the year prior to the date of approval of this Economic Impact Plan.

(iii) **"Dedicated Tax Amount"** means the amount of taxes obtained by multiplying the Increment by the Dedicated Tax Percentage.

(iv) **"Dedicated Tax Percentage"** means the percentage of a Taxing Agency's taxes representing dedicated taxes, which are defined in the TIF Uniformity Act as "that portion of property taxes, if any, designated by a taxing agency to pay debt service on the taxing agency's debt."

(v) **"Incentive"** means the principal amount of the Note (defined in Section 6(d) below) plus interest paid thereon, together with any reimbursements of Project Costs made to the IDB or the CVB directly from the Available Increment.

(vi) **"Increment"** means the incremental increase in the City and County real and personal property taxes payable with respect to the property in the Plan Area over the Base Tax Amount.

(vii) **"Taxing Agency"** is defined in the TIF Uniformity Act as "any county, city, town, metropolitan government or other public entity that levies property taxes on property within a plan area and that has approved the plan." For the purposes of this Economic Impact Plan, "Taxing Agency" means the City and the County, individually or collectively, as the context so requires.

(viii) “**TIF Uniformity Act**” means the Uniformity in Tax Increment Financing Act of 2012, codified in Tennessee Code Annotated § 9-23-101, et seq.

(b) Pursuant to Section 9-23-103(c) of the TIF Uniformity Act, the IDB shall calculate the Base Tax Amount and Dedicated Tax Amount on the basis of each individual parcel within the Plan Area, and the aggregate basis method of calculation and allocation shall not be used. In accordance with Section 9-23-103(d) of the TIF Uniformity Act, the IDB shall calculate the Available Increment under this Economic Impact Plan on the basis of each individual parcel within the Plan Area.

(c) The Base Tax Amount for each parcel in the Plan Area (subject to any adjustments resulting from tax appeals), including both real and personal property, is set forth in **Exhibit B**, which includes a sum of \$1,366,854.26 for the Plan Area, approximately \$160.19 of which is attributable to the Property (prorated on a per-acre basis from the existing 282.5-acre tract identified as parcel 063032 01300 on Exhibit B).

(d) The IDB will fund the Project Costs by borrowing money under a nonrecourse note (the “**Note**”), secured and repaid by the Available Increment. Pursuant to the Project Agreement to be entered into between the Company and the IDB, the IDB will use the proceeds of the Note only to pay Project Costs, which may include direct payments or reimbursements to the IDB or the Clarksville/Montgomery County Tourist Commission for prior payments of Project Costs. The principal amount of the Note will not exceed Four Million Five Hundred Thousand and No/100 Dollars (\$4,500,000.00), and the allocation of Available Increment to the IDB in connection with this Economic Impact Plan will not exceed the Incentive amount. Beginning with the allocation of the Available Increment for the earlier of the calendar year in which the Hotel and Conference Center is assessed following completion, or calendar year 2021 (the “**Initial Allocation Year**”), the Available Increment, less an administrative fee to the IDB equal to one percent (1%) of the Available Increment, will be applied by the IDB first to the repayment of interest on and then to the principal of the Note. It is acknowledged and understood that under the TIF Uniformity Act, “no allocation of tax increment revenues shall be made with respect to any property for a period of more than twenty (20) years.” Consequently, the term of the Project Agreement and the Note shall end (the “**End of the Term**”), and the payment of the Available Increment to the Company shall terminate upon the earlier of the repayment of the Note in full, or upon the allocation of twenty (20) annual payments of the Available Increment from and including the payment of the Available Increment for the Initial Allocation Year. For example, if the Initial Allocation Year ends on December 31, 2021, and the Note has not been paid in full prior thereto, then the End of the Term shall be upon the payment of the Available Increment with respect to calendar year 2040 on the Note, with the result that if the Company has not received payment of its portion of the Available Increment with respect to the property taxes for calendar year 2040 by December 31, 2040, then the term shall continue until the Company receives that payment (which would be during March or April 2041 in the event that the 2040 taxes are paid in February of 2041).

(e) Based on the conservative estimated real property capital expenditure of \$25,000,000, and assuming the tax appraisal equals such capital expenditure and

using current property tax rates, the annual City and County real property tax attributable to the completed Hotel and Conference Center in 2021 is expected to be approximately \$431,000. Based on that estimate, and assuming that the County's Dedicated Tax Percentage continues to be approximately 30.1466% and the City's Dedicated Tax Percentage continues to be approximately 37.00%, the Available Increment from real property taxes levied against the Property after completion of the Hotel and Conference Center will be approximately \$292,570 per annum, which amount represents only a portion of the Available Increment expected to be generated within the Plan Area.

(f) The Available Increment also includes all personal property taxes levied against the Hotel and Conference Center and the Available Increment from the other 43 parcels included in the Plan Area (including the remainder of the parcel that currently includes the Property).

(g) Subject to the provisions of Section 312(j) of the Act and Section 103(a) of the TIF Uniformity Act, real and personal property taxes imposed on the property located within the Plan Area shall be allocated and distributed in accordance with Section 312(c) of the Act as follows:

(i) Through the End of the Term, the Base Tax Amount and the Dedicated Tax Amount, if any, shall be allocated to and, as collected, paid to the City and the County in the same manner as taxes levied by the City and the County on all other property are paid; provided, however, that in any year in which the property taxes on any parcel of property in the Plan Area are less than the Base Tax Amount, there shall be allocated and paid to the City and the County with respect to such parcel of property only those taxes actually imposed and collected;

(ii) For any year prior to the Initial Allocation Year, the Available Increment, if any, shall be allocated to and, as collected, paid to the City and the County in the same manner as taxes levied by the City and the County on all other property are paid; and

(iii) Commencing with the taxes assessed for the Initial Allocation Year, the Available Increment, if any, shall be allocated to and, when collected and paid to the City and the County, shall then be remitted to the IDB. The IDB shall retain an administrative fee equal to one percent of the Available Increment per annum, and place the balance of the Available Increment into a separate fund of the IDB established to hold such payments until used to repay the Note or reimburse the IDB or the CVB for any payments of Project Costs made by such entity that were not paid directly or reimbursed from the proceeds of the Note.

7. **Qualified Use.** The IDB, the City and the County, if applicable, by the adoption of this Plan, find that the location of the Project is within an area that could provide substantial sources of tax revenues or economic activity to the City and the County, and find that the use of the Increment as described herein is in furtherance of promoting economic

development in the City and the County, and that the use of the Increment as provided herein will develop trade and commerce in and adjacent to the City and the County, will contribute to the general welfare, and will alleviate conditions of unemployment. The acquisition, construction and equipping of the Project will be necessary and advantageous to the IDB in furthering the purposes of the Act.

8. **Approval Process.** Pursuant to Section 312 of the Act, the process for the approval of this Economic Impact Plan is as follows:

(a) The IDB shall hold a public hearing relating to the proposed Economic Impact Plan after publishing notice of such hearing in a newspaper of general circulation in the County at least two (2) weeks prior to the date of the public hearing. The notice must include the time, place and purpose of the hearing as well as notice of how a map of the subject area may be viewed by the public. Following such public hearing, the IDB will submit this Economic Impact Plan to the City Council and to the County Commission for their approval.

(b) The City Council, as the governing body of the City, and the County Commission, as the governing body of the County, must approve this Economic Impact Plan for this Economic Impact Plan to be effective. Pursuant to the Act, this Economic Impact Plan may be approved by resolution of the governing body of the City and of the County, whether or not the local charter provisions of the governing body provide otherwise.

(c) Pursuant to Section 108 of the TIF Uniformity Act, the use of the Available Increment to reimburse the IDB or CVB for Project Costs or to repay the Note is subject to the Commissioner of the Department of Economic and Community Development and the Comptroller of the Treasury making a written determination that the use of tax increment revenues for such purposes is in the best interest of the State of Tennessee. If the written determination approving or rejecting these proposed uses is not rendered within thirty (30) days from the receipt of the written request by the Commissioner of the Department of Economic and Community Development and the Comptroller of the Treasury, the uses shall be deemed approved.

(d) Once the Economic Impact Plan has been approved by the City Council and the County Commission, the clerk or other recording official of the County shall transmit the following to the appropriate tax assessors and Taxing Agency affected: (a) a copy of the description of the property within the Plan Area, and (b) a copy of the Resolution approving the Economic Impact Plan, and any and all other filing required under the TIF Uniformity Act.

**RESOLUTION REQUESTING THE STATE OF TENNESSEE AND THE TENNESSEE  
DEPARTMENT OF TRANSPORTATION TO INSTALL WALKWAYS/SIDEWALKS  
ON A PORTION OF TRENTON ROAD IN MONTGOMERY COUNTY, TN**

**WHEREAS**, within Montgomery County, Tennessee, there exists a highway known as Trenton Road, State Route 48, PIN 12307.00, a State roadway, which has developed both commercial and residential properties; and

**WHEREAS**, the aforementioned roadway passes in the front of Northeast School Complex, a Clarksville-Montgomery County, Tennessee school; and

**WHEREAS**, Trenton Road, State Route 48, has been identified for major improvements as part of the Improve Act; and

**WHEREAS**, there is vehicular traffic appropriately on the roadway at or near the school area, but no sidewalks fronting the school area; and

**WHEREAS**, as a matter of public safety, upgrades of the area roadway to include sidewalks would be beneficial to the public and the citizens of Montgomery County since there are 1,261 students within a one-mile walking radius of the Northeast School Complex and a population of approximately 4,500 residents that could walk to school and nearby retail establishments.

**NOW, THEREFORE, BE IT RESOLVED**, by the Montgomery County Board of Commissioners assembled in Regular Session on this 13<sup>th</sup> day of August, 2018, that this resolution be forwarded to State officials and the Tennessee Department of Transportation requesting the installation of sidewalks along Trenton Road, State Route 48, PIN 12307.00, during the improvements that are forthcoming to said roadway as part of the Improve Act, and that said sidewalks be a distance equal to or greater than one-half mile in each direction of the school campus.

Duly passed and approved this 13<sup>th</sup> day of August, 2018.

**RESOLUTION TO PROVIDE ADDITIONAL FUNDING IN THE AMOUNT OF SEVENTY-FIVE THOUSAND DOLLARS (\$75,000.00) TO TWO RIVERS CORPORATION (TRC), A FOUNDATION ACCORDING TO 501C(4) OF THE INTERNAL REVENUE CODE**

**WHEREAS**, Two Rivers Corporation (TRC) is a joint venture between the City of Clarksville (City) and Montgomery County;

**WHEREAS**, the Montgomery County Commission deemed it in the public's interest to provide funding to the Two Rivers Corporation (TRC) in the fiscal year 2018-2019 budget; and

**WHEREAS**, the County Commission considers it in the public's best interest to provide additional funding to the TRC in the amount of \$75,000.00.

**NOW, THEREFORE, BE IT RESOLVED** by the Montgomery County Board of Commissioners assembled in Regular Session on this 13<sup>th</sup> day of August, 2018, that the County provide additional funding of seventy-five thousand dollars \$75,000.00 to the TRC to be appropriated from the general fund.

**Duly passed and approved this 13<sup>th</sup> day of August, 2018.**

**RESOLUTION TO AMEND THE BUDGETS  
OF VARIOUS FUNDS FOR FISCAL YEAR 2019  
IN CERTAIN AREAS OF REVENUES AND EXPENDITURES**

**WHEREAS**, the Director of Accounts and Budgets has performed continuing reviews of the status of funding needs and the receipts of revenues anticipated in support of the various budgets; and

**WHEREAS**, the County Commission desires to appropriate funding to these expenditure accounts from various sources including revenues, designated fund balances, and/or other sources within the funds in which those accounts operate.

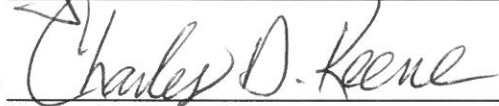

**NOW THEREFORE BE IT RESOLVED**, by the Montgomery County Board of Commissioners, assembled in regular business session this 13<sup>th</sup> day of August, 2018, that the budgets for various funds for FY19 be amended as to revenues and expenditures, according to the attached Account Schedule 1.

**Duly passed and approved this 13<sup>th</sup> day of August, 2018.**

# CLARKSVILLE-MONTGOMERY COUNTY PUBLIC LIBRARY YEARLY REPORT

FY 2017-18 was a year of continuing operational change, transition and preparation for more change

## STRATEGIC PLANNING

The library was in its final year of its three-year strategic plan and has achieved most goals, with the Branch library project topping the list of uncompleted items. The Board must decide in FY 2018-19 how to proceed with the next 3-year plan.

## NORTH BRANCH PLANNING

Site selection, round two, began after the request for purchase of land at Ft. Campbell Blvd and Lady Marion died in the Commission Budget Committee in June of 2017. Three new parcels of land were identified – one on Arrowood Drive across from the Tennessee Veteran's Nursing Home, one close by across Purple Heart off Jordan Rd. and one across from the West Creek School complex at Peacher's Mill and Boy Scout. After a public meeting in January at West Creek High School, a campaign to ask library supporters to Volunteer to attend a Commission meeting, use their Voices to contact County Commissioners and register to Vote to strengthen their voices was unveiled in April, funded by the Friends. This year, the library requested \$750,000 for land purchase and \$900,000 for full library design. The Commission ultimately voted \$800,000 for land purchase and asked the library to return to the budget committee to request full design funding after land purchase is completed.

## PERSONNEL AND OPERATIONAL HIGHLIGHTS

1% raises were given to all employees by Montgomery County to start the fiscal year. Tim Pulley, Reference and Genealogy Dept. Supervisor retired after 30 years of service. This retirement opened the way for a reshuffling of positions, with Tim's position being split into a regular full-time position and a 20-hour shelver position. The current Circulation Supervisor was then given the title Public Services Supervisor and given supervision of all personnel working at both public service desks. It was another record year for turnover with 12 outside hires made, likely due to loss of part-time benefits. Notably, Jason Camp and Raymond Rosado became full-time PSAs this year.

Along with the change to a more flexible structure where cross-training across departments will be the norm, came the increase in the number of shelvees. This was needed to accommodate the advent of the AMH machine, when items will be checked in quickly and the emphasis will be getting items back to the shelves.

A centralized online schedule was created this year so that all staff were able to view schedules no matter their location. An even more detailed all-staff schedule was created in May so that it is clear where all members of the team are at all times.

## MATERIALS AND RESOURCES

Wi-Fi hotspots continued to have long waiting lists – the checkout period was reduced to 2 weeks in January to try to give more folks a chance to access the items. The decision was made to purchase Hoopla in FY 2018-19 which should have a very positive impact on online materials available. Hoopla contains ebooks, audiobooks, movies and music among other offerings – it is like a Netflix for libraries.

## TRAINING

Two staff members attended the Tennessee Library Association (TLA) Conference in Memphis and the Public Library Association (PLA) Conference in Philadelphia (after a snowstorm kept them stuck in Boston for a night). Attendees at TLA reported that CMCPL was mentioned numerous times in conference presentations, which demonstrates our library's leadership statewide. Asst. Director Christina Riedel made two presentations at TLA during the conference. Staff Day 2017 was held outside the library at a venue that allowed for teambuilding, group challenges and fun!

## BUILDING

The Main Refresh renovation project finally went out to bid in April – a very late start. Plans for the AMH room and bathroom renovation were rolled into the Main Refresh, with the bathroom renovation paid for with the library's carryover operating funding and the rest of the renovation paid for with Library Foundation private funding. All of the library's non-fiction and young adult shelving will have to be moved for this project, which will be a very large task even using a hydraulic shelf-moving machine. In addition, shelving for children's DVDs will move into the Children's Dept. to make room for the AMH room expansion. Furniture that was worn and outdated along with wooden shelving no longer needed was given away to other departments – the remainder of the old furniture will be auctioned and new furniture purchased in FY 2018-19. The replacement of the library's fluorescent lights with LEDs last year at this time is expected to have saved over well over \$10,000.00 in electricity costs, funding for which will be used in a different line item in the FY 2018-19 budget.

## PROGRAMMING

A long-needed formal programming structure is evolving to make the planning of events centralized and clear. Adult programming continued to expand with the purchase of a year-long movie license. A schedule of Sunday movie showing started slowly, but attendance has grown. Summer Reading was returned this year to six weeks rather than five and attendance was up as of the end of June.

## LARGE EVENTS

Sci-Fi, Harry Potter and Read Across America continue to lead the way as they have in years past with high attendance. This year, Harry Potter Book Night coincided with snowy weather keeping attendance slightly lower than in years past.

## STATISTICS

Overall circulation of library materials was up 5% for the year, with online books now making up 17% of circulation numbers.

## TECHNOLOGY

Wall-mounted interactive Public Access Catalogs were purchased to allow a better experience for users and a more attractive look for the library, beginning with a test on the 2<sup>nd</sup> floor. The replacement of the TLC Web Server, a big component of the circulation software, was completed according to the technology replacement schedule and with funding help from the State Technology Grant. Laptops were finally purchased for the Director and Asst. Director and Systems Support Tech; a MacBook was purchased for the Marketing Associate/Sr. Systems Support Tech.

The public and private Wi-Fi networks in the library were further upgraded to reduce dead spots and network upgrades were made in advance of replacing a large portion of public access computers in FY 2018-19. Essential parts in the payment system (PPSI) at the circulation desk are continuing to be replaced at the self-checkouts to keep them alive until full replacement can happen. Chip and pin technology has not yet been attached to the self-checks – a final date for mandatory replacement has not been set. Bids went out for the Automated Material Handling System (AMHS) in March and the Library Board voted in June to purchase this book check-in and sorting machine using private Foundation funding. Bibliotheca is the selected vendor for the project.

STATE OF TENNESSEE  
COUNTY OF MONTGOMERY

SONJA L. PULLEY  
NOTARY PUBLIC

MY COMMISSION EXPIRES DECEMBER 16, 2019

**Office of the Sheriff**  
**Montgomery County, Tennessee**  
**John S. Fuson, Sheriff**

July 24, 2018

Honorable Mayor Jim Durrett and Budget Committee Members  
July 2018 Budget Committee Meeting

The Montgomery County Legislative Body made appropriations in Resolution 18-6-6 to fund operations to include salaries of Deputies and Assistants that report to the Sheriff. In order to properly and efficiently conduct the affairs and transact the business of my office as authorized under TCA 8-20-101, I am requesting amendments within the salary categories identified below to be effective July 1, 2018.

In accordance with TCA 5-9-407 (d)(2), and Montgomery County Resolution 17-6-10 Sec 5, Par 2, I am requesting the following:

<u>Reduce</u>	54110...51100 (Lieutenants) in the amount of	(\$ 4,518)
<u>Reduce</u>	54110...51080 (Investigators) in the amount of	(\$56,083)
<u>Increase</u>	54110...51050 (Supervisor/Director) in the amount of	\$60,601
Net Budget Change to Sheriff's Office 54110		\$ -0-

Montgomery County, through the Sheriff's Office budget, fund the salaries of the 19<sup>th</sup> Judicial District Drug Task Force. The Director of the DTF had recently been an ex-officio duty of the Criminal Investigations and Intelligence Division Lieutenant. Upon retirement of that Lieutenant, the 19<sup>th</sup> JDDTF Board (District Attorney General John Carney and Sheriff John Fuson) appointed the DTF lead Investigator as Director. The above adjustments will properly classify and compensate the new Director for the duties and responsibilities of the position. This was determined with the assistance and concurrence with the county Human Resource Director.

Respectfully,

John S. Fuson,  
Sheriff

- Storm water lines, sanitary sewer, domestic water, and retaining walls have all started.
- Sinkhole remediation has impacted the project with currently 5 holes that have been identified. The 1<sup>st</sup> one that has been treated was 45' deep. This has impacted the project budget, but it is too soon to determine if these sinkholes will cause the expenses to exceed the project contingency.

## Capital Projects – August 2018 – Construction Update Report

### **Upcoming/Ongoing Projects**

#### **ADA Transition Plan**

**Architect/Designer:** Montgomery County Engineering  
**Project Status:** Inspections of existing buildings for Self-Evaluation & Reporting ongoing.

#### **Public Safety Complex Criminal Warrants Renovation**

**Architect/Designer:** Rufus Johnson & Associates in coordination with MCG Sheriff's Office  
**Project Status:** Concept planning has taken place to develop a scope of work and preliminary design proposal.

#### **Greenway – Phase I (Jarrell Ridge Trailhead)**

**Architect/Designer:** Jon Clark & Associates  
**Project Status:** Although this project does not currently have any funding, there has been a resurgence of discussions with the local utility district for alternates that would be feasible to bring this proposed trail through portions of the property in reference. Additional survey and design funds would be required before any major forward progress could be resurrected.
