

## Montgomery County Hazard Mitigation Plan Update Meeting

Join the Montgomery County Emergency Management Agency and the Tennessee Emergency Management Agency for the Montgomery County Hazard Mitigation Plan Update Meeting. Montgomery County citizens and businesses are affected by natural disasters and extreme weather. The meeting provides an opportunity for the whole community to be involved in the plan update process. Emergency Management personnel will be available during the following dates and times for community members to stop by and learn about the plan.

January 23, 2025  
8 AM to 11 AM  
1 PM to 3 PM

January 24, 2025  
8 AM to 11 AM  
1 PM to 3 PM

Montgomery County EMA  
130 S. 1st St.  
Clarksville, Tn 37040  
931-648-5702

### What you will learn:

The hazards that most impact your community.

The mitigation planning process.

Potential funding sources.

Qualifying mitigation actions.

### WHAT YOU CAN DO:

Provide details on changes you may have noticed in your community.

Provide narratives of your experiences in disaster events.

Identify vulnerable populations within your community.
