

Animal Control

Project Description:

This project includes the construction of a new approximately 23,000 square foot facility to replace the existing Animal Control facility on North Spring Street. The facility will be located at the intersection of Purple Heart Parkway and Jordan Road. A parking area, access drives, and interior/exterior kennel areas for animals are planned. The facility will also include a dedicated veterinary surgical suite as well. This project is currently in design.

Design Team:

Shelter Planners of America/
