

Cumberland Heights – Bartee Center Gymnasium Re-Roof

Project Description:

This project is a long-term maintenance project needed to address leaks within the gymnasium building. The project included selective demotion of the existing roofing and flashings down to the existing roof deck. New shingle roofing was nailed to the wood nail base with required underlayment, flashing, and accessories.

Design Team:
Montgomery County
Engineering

Total Project Cost:
\$43,368.25
