

EMS 21 Renovation

Project Description:

This project is located next to Kenwood Elementary School on Peachers Mill Road. The project included the addition of 1,690 square feet including 4 new sleeping quarters, a new vehicle bay, the construction of a tornado safe room, a new concrete parking lot, and a new façade on the front of the existing building. The new total square footage after construction is 4,730 sq. ft. During construction the station remained in operation 24-hours every day.

Design Team:

Violette Architecture

Total Project Cost:

\$457,655

Contractor Team:

Carter Douglas Company

Completion Date:

November 2015
