PREAMBLE

Pursuant to the authority in TCA 58-8-104, I, Montgomery County Mayor Jim Durrett, declared a State of Local Emergency on the 17th day of March 2020, granting to the County Mayor certain powers as allowed under TCA 58-2-110. That declaration gave political subdivisions of Tennessee State Government, Montgomery County, the ability to waive procedures relative to “performance of public works and taking whatever prudent action necessary to ensure the health, safety and welfare of the community”. I then issued eight EMERGENCY ORDERS. On April 24, 2020, the Governor of the State of Tennessee issued his EXECUTIVE ORDER # 29. That ORDER declared “This Order shall supersede and Preempt any emergency order, health order, or other order issued by a local official or local governmental entity addressing or otherwise related to COVID-19”. Based upon that Order, I allowed all my EMERGENCY ORDERS to expire.

Now, on July 3, 2020, Governor Bill Lee issued Executive Order #54 regarding the use of Face Masks and a grant of that authority to the 89 counties that do not have a locally run health department, which includes Montgomery County, to issue further Orders.

Pursuant to those same originally named statutes, and the Governor’s Executive Order #54, I declare a state of emergency and further so ORDER.

EMERGENCY ORDER # 10

1. A Declaration of a State of Emergency is made and may be extended as allowed by law.
2. My Declaration of a State of Emergency and my Emergency Executive Order # 9 issued on July 7, 2020 are adopted and extended.
3. Term and effective date. This Order shall be effective at 12:01 a.m. July 15, 2020 and shall remain in effect for 7 days as allowed by law until 12:01 a.m., Central Daylight Time, on July 22, 2020 when it may be extended.
4. This Order shall be effective upon issuance to protect and ensue the health, safety, and welfare of the Community.

It is so ORDERED, Mayor Jim Durrett, Montgomery County, Tennessee, this the 14th day of July 2020.

Jim Durrett, Montgomery County Mayor
